The Royal Canadian Artillery Association

Lest We Forget - Cemeteries

The Royal Canadian Artillery Association takes a moment of silence each year to remember those Gunners that have passed away in the previous 12 months. Unfortunately, we are not always notified of the passing of a Gunner.

In 1922, the Association published a booklet listing Officers who served Overseas in the Great War with the Canadian Artillery. One hundred years later, it is our hope that our publication *Lest We Forget – Gunners* will provide a short biography on all the Gunners that have ever served in The Royal Regiment of Canadian Artillery, while this document *Lest We Forget – Cemeteries* will provide a listing of the cemeteries where they have been interred. This is a long term project that may take decades to complete.

The accuracy of the information provided is only due to the diligence of those that have provide the information. If you would like to be part of this ongoing project, please forward any Gunner obituaries that you may find to the Lest We Forget Committee, The Royal Canadian Artillery Association c/o secretary.rcaa.aarc@gmail.com
The secretary may also be contacted if you would like to be a member of the committee and search war diaries and publications for additional names.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie,
In Flanders fields.
Lt-Col John McCrae
