The Royal Canadian Artillery Association
Lest We Forget

The Royal Canadian Artillery Association takes a moment of silence each year to remember those Gunners that have passed away in the previous 12 months. Unfortunately, we are not always notified of the passing of a Gunner.

In 1922, the Association published a booklet listing Officers who served Overseas in the Great War with the Canadian Artillery. One hundred years later, it is our hope that we can publish an update to that compilation by gathering a short biography on all the Gunners that have ever served in The Royal Regiment of Canadian Artillery. This is a long term project that may take decades to complete.

Italicized names indicate those that have recently been entered. Red font indicates those that have been assigned to RCA Association members.

The accuracy of the information provided is only due to the diligence of those that have provide the information. If you would like to be part of this ongoing project, please forward any Gunner obituaries that you may find to the Lest We Forget Committee, The Royal Canadian Artillery Association c/o secretary.rcaa.aarc@gmail.com
The secretary may also be contacted if you would like to be a member of the committee and search war diaries and publications for additional names.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie,
In Flanders fields.
Lt-Col John McCrae

18 February 2023 (revised)

Au service des artilleurs canadiens depuis 1876
Serving Canadian Gunner since 1876

Dave Aalto
