4.2 Kingston Cup. Canadian Gunners were hockey pioneers, playing some of the earliest games in Kingston in the 1870s. Before the turn of the twentieth century, an annual hockey game originated between A and B Battery. It is one of Canada's oldest ongoing hockey series, and remains fiercely contested to this day. Unless the Batteries are deployed on operations that prevent it, the game is played each year to celebrate the day of the Patron Saint of Gunners, Saint Barbara. The Kingston Cup was donated

in 1927 for the annual A Battery versus B Battery game. Like the Stanley Cup, it has been battered and lost, but it remains an important symbol and source of pride for Gunners. The winner of the 2018 Kingston Cup annual hockey game:

A Battery

4.4 **The Royal Canadian Artillery Heritage Campaign.** The RCA Heritage Program supports a variety of projects from bursaries for our kids, to the writing of our history, to the erection of a statue to honour one of our own who is truly a great Canadian, and more besides. Please see where and how you can help.

4.5 **The RCA Regimental Fund – Donor Reward Program.** The Donor Rewards Program was created to provide donors with a tangible reward in return for their monthly donation to the Regimental Fund by receiving a “credit”. Donors to the Fund will receive a credit at the kitshop equal to 10% of their annual donation. This can be used as a credit towards any kitshop purchase. The Donor Rewards will accrue if not used. Donor rewards have no cash value and unused rewards will be returned to the Fund one year after a member ceases donating to the Fund. This program became effective as of 1 Jan 02. The Donor Rewards Program is administered by the RHQ RCA under the supervision of the A/Adj. To find out the amount of their credit, the donor can contact RHQ RCA.
