## *Message from the Colonel Commandant*

Fellow Gunners:

*I am pleased to introduce the 2002 edition of The Canadian Gunner, a publication that has become one of our best traditions. It is vital that we maintain our Gunner traditions and, increasingly, celebrate our unique Gunner heritage. The Canadian Gunner helps us record our story and to maintain our ties with one another. These pages demonstrate that The Royal Regiment continues to adapt to progressing change while maintaining our unique identity. Thank you to the Home Station, the editor and to all of the contributors who have made this issue such a success.*

*As has occurred many times in our history, the Royal Regiment is facing challenges of crises proportions. In Chinese, there are two characters to denote "crisis" – one means "danger" while the other means "opportunity". As we have in the past, we must strive to exploit the opportunities which are presented to us; at the same time, we must remember our past and where we come from. Our continuing strength is our collective membership – serving and retired, Regular and Reserve, Air Defence and Field: Gunners all - and proud of it.*

*As always, I wish you all continued "Good Shooting".*

**Ubique**

## *Mot du Colonel Commandant*

Confrères artilleurs,

*Je suis heureux de présenter l'édition 2002 de l'Artilleur canadien, une de nos plus grandes traditions. Il est primordial que nous préservions nos coutumes et, de plus en plus, que nous célébrions notre patrimoine tout particulier. L'Artilleur canadien nous aide à recueillir notre histoire et à maintenir nos liens les uns avec les autres. Ces pages démontrent que le Régiment royal continue de s'adapter au changement tout en préservant son identité unique. Merci à la garnison régimentaire, le rédacteur en chef, et à tous les collaborateurs pour la réussite de ce numéro.*

*Comme cela s'est produit à maintes reprises dans son histoire, le Régiment royal fait face à des défis qui prennent l'allure de crises. En chinois, on compte deux caractères pour désigner le concept de « crise »; l'un d'entre eux signifie « danger » tandis que l'autre exprime l'« occasion ». Comme nous l'avons déjà fait auparavant, nous devons nous efforcer de profiter des occasions qui nous sont présentées. Nous devons en même temps nous rappeler notre passé et nos origines. Notre force vient de nos gens. À la retraite ou en service, dans la Force régulière ou dans la Réserve, dans les airs ou en campagne, nous sommes tous artilleurs et fiers de l'être.*

*Comme toujours, je vous souhaite de « bien viser ».*

**Ubique**

## *Message from the Director of Artillery*

2002 has come and gone and it gives me great pleasure to add my message to this year's edition of *The Canadian Gunner*. This publication continues to add another chapter to *The Royal Regiment of Canadian Artillery's* history. The continuing popularity of *The Gunner* attest to its worth.

Going through old issues proves that we, as Gunners, are facing constant change. They also demonstrate that we are taking advantage of the opportunities presented to us and that we are adapting to the challenges these changes are bringing.

Going through this edition also show we are living up to our motto – "Ubique". From Kandahar to Kananaskis, from Belgium to Bosnia, from Fort Knox to Fort Drum, Gunners were there. The list also includes the usual hangouts: Gagetown, Valcartier, Petawawa, Meaford, Shilo, Suffield, Wainwright and Fort Lewis. Tasks included assisting with Internal Security at the G8 summit to providing a Mortar Group to Afghanistan as well as the usual Gun Ex and Salutes. 2002 was indeed a busy year. And by all reports another successful one for *The Regiment*.

And so one chapter closes and another one begins in the life of *The Royal Regiment of Canadian Artillery*.

**Ubique**

## *Mot du Directeur de L'Artillerie*

L'année 2002 étant venue et repartie, je suis très heureux de joindre mon message à l'édition de cette année de *l'Artilleur canadien*, qui ajoute un nouveau chapitre à l'histoire du *Régiment royal de l'Artillerie canadienne*. L'incessante popularité de la publication témoigne de sa valeur.

Lorsque nous feuilletons les anciens numéros, nous nous rendons compte que nous, les artilleurs, sommes continuellement confrontés au changement. Nous constatons également que nous profitons des occasions qui s'offrent à nous et que nous nous adaptons aux défis que posent ces changements.

Cette édition démontre aussi que nous sommes fidèles à notre devise – « Partout ». De Kandahar à Kananaskis, de la Belgique à la Bosnie, de Fort Knox à Fort Drum, les artilleurs y étaient. La liste porte également les lieux habituels : Gagetown, Valcartier, Petawawa, Meaford, Shilo, Suffield, Wainwright et Fort Lewis. Nous avons notamment participé à la sécurité du Sommet du G8 et déployé un groupe de mortiers en Afghanistan, sans oublier les habituels saluts et exercices de tir. L'année 2002 a effectivement été chargée, et selon les rapports sur le *Régiment*, elle a également été un succès.

Ainsi, un chapitre se termine et un autre débute dans l'histoire du *Régiment royal de l'Artillerie canadienne*.

**Ubique**

# 1<sup>ST</sup> Regiment Royal Canadian Horse Artillery

What did 2002 have for the 1st Regiment Royal Canadian Horse Artillery?

Innovative battery level training? Yup.  
Regimental gunnery exercise? Check.  
Sports competitions? Got those too.

AVCON, Strong Contender, Mountain Man, adventure training, Regimental School, St Barbara's Day and Christmas activities? Did 'em all.

How about Brigade level training? Done, times two.

Sounds like the Regiment had a full year of doing what it usually does, right? Wrong.

In 2002, 1 RCHA participated in its usual gamut of fast paced and highly rewarding activities. Over and above these events are two key and very unique operations that took place overseas and at home. Operation APOLLO, the Canadian contribution to the war against terrorism saw the deployment of a mortar group, three FOO parties and a BC's party from 1 RCHA to Kandahar, Afghanistan. Support staff was also deployed in the Gulf region as part of the vital link back to Canada. Operation GRIZZLY saw most of the available Regiment intimately involved in the

security of the G8 Summit in Kananaskis, Alberta.

Pre-deployment training for Op APOLLO was completed prior to Christmas 2001. Once the training was done, all that was needed was a time and a date to go. In January those involved headed off to Edmonton for a final round of Theater Specific Mission Training and confirmation of chalk assembly and load lists.

As part of the 3PPCLI Battle Group, the Mortar Platoon and Tac Groups rotated almost immediately into defensive positions around the Kandahar international Airport. It wasn't long before soldiers from the Regiment were participating in offensive combat operations.

During the deployment, Canadian soldiers earned the admiration and respect of our American Task Force, the Rakassans. The Canadians became the "go-to" Battle group within the Task Force. Further operations followed, allowing members to see the greatly varied landscape that Afghanistan had to offer; from the dry desert plains in the south to the snow-capped mountain forests of the north.

Members of the C Bty Mortar Platoon pose in front of the Kandahar International Airport main terminal building during Op APOLLO.

From desert dust to mountain mist, the environment was often as dangerous as it was captivating. There were moments of excitement, tension, worry, disappointment, boredom and pride, but most importantly, through it all was a sense of camaraderie. Working, as a team, doing what it is we train our whole careers to do. The end-state of that training isn't the dropping of bombs, the pulling of lanyards, or even the squeezing of triggers, it's answering the call when it comes. It's doing your job and at the end of it all, it's about bringing everyone home safe.

The decision to have the G8 Summit in Kananaskis, Alberta vice a metropolitan center was a complex one. It factored in the proximity of major airports, the scenic surroundings and the inherent security associated with a more isolated venue. Obviously the people who made the decision were not the ones who had to hump the mountains and trails to make that security a reality. Working in cooperation with the RCMP, members of the Regiment established observation and listening posts, patrolled through rugged and mountainous terrain, and coordinated aspects of security.

Op GRIZZLY was a resounding success. The fear and trepidation that surrounded hosting a G8 Summit came from Montreal, Seattle and other locations where public dissent devolved into civil disobedience. The military presence in Kananaskis ensured that any hostile forces, be they Canadian citizens intent on vandalism and disruption or inter-

*Bdr Yorke mans his sentry post during Ex ROBUST RAM.*

national terrorists intent on death and destruction, would not be given freedom of movement nor freedom of action.

The First Regiment had a momentous 2002. It participated in many of the things it does each year. To not mention something does nothing to lessen its importance. Every day of the year, someone from 1 RCHA is doing something that makes a difference; be it volunteering as a coach for youth soccer within the community or by maintaining a NATO presence as part of an international peace-keeping operation. There is not enough room in this entire publication to identify everything that went on with 1 RCHA and its members this year. At the end of the year, after the traditional hockey games and the Christmas dinner, a much-earned break was taken. A break from one of the busiest years in the history of the Regiment.

Right: B Bty wins the Kingston Cup and bragging rights for at least a year.

## 2<sup>nd</sup> Regiment Royal Canadian Horse Artillery

In the beginning, there was chaos. Members from the Regiment were tasked all over, with courses running and the usual winter exercises all at the same time. It started with Exercise NORTHERN GUNNER. Which was SOVOP exercise that had HQ Bty going to Coral Harbour. Then with General Leslie's and Colonel Devlin's emphases on combined arms training, 2 RCHA was committed to train with all aspects of army firepower in all phases of war. This had gunners participating in many "Bear" variation exercises from SWIFT BEAR to VIRTUAL BEAR, OLYMPIAN BEAR, and RAPID BEAR. The Regiment also started a new trend of manning full gun detachments by amalgamating other batteries to fill positions.

Most of the Regiment was lucky enough to go to CTC Gagetown in May, to participate in Exercise ROVING THUNDER. They were able to experience that famous Gagetown mud while supporting the BC's Fire Planning course. Meanwhile back at the "Z-lines" in Petawawa, D Bty finished their 81mm Mortar Conversion Course readying them to take up the reins of the Rapid Reaction Unit task. Twenty-four soldiers made up the Mortar Platoon and participated in many offensive and defensive exercises with 3 RCR supporting their manoeuvres, Combat Team and Battle Group attacks. We even ventured off to Fort Drum, New York with Quebec and Romeo Com-

panies. At one point in the Fort Drum exercise, our goal was to hold a town built for Fighting in Built-Up Areas, with 40-plus buildings from the RCRs' attacks. The Mortar Platoon acted as enemy force and barricaded themselves in the town. They were attacked for eight and a half hours before the RCRs finally broke through. It was an intense battle and each soldier averaged spending about 40 magazines of ammunition each. The Mortar Platoon not only supported the RCRs, but they also came home to the Regiment to help support exercises and tasks whenever they were needed.

After all of the fun in Gagetown and Fort Drum, the Regiment came home. F Battery had some fun by running a short two-day exercise, called Exercise ROLPHTON FOX. They spent a day rappelling off the Rolphton dam, made camp, and then had a pig roast. F Battery dispersed a few times over the year to help augment the other batteries, but they still conducted their own individual battery training. Most notably was Exercise WAR FOX, where members were picked up on the parade square by a Griffon, dropped off in their 4-man teams several kilometres away so they could make their way to the FIBUA site. They had to clear buildings, rappel out of windows, practice gas drills and were run over by tanks. Fun was had by all.

*LCol Cotten's Change of Command Parade.*

Just before summer leave, 14 members of the Regiment went to Edmonton to train for and support the G-8 summit. During that hot month of June, they augmented 2 GS and 1 GS Battalions, training as perimeter safety, and part of a decontamination line. They also set up showers and spent two weeks in MOPP 4. Sadly, yet fortunately, their expertise was not needed, and the Regiment welcomed them back.

In July, there was

a Regimental Changing of the Guard. This involved LCol J.D.E. Crossman handing over command to LCol K.R. Cotten; Maj C.R. Voss releasing the reins of 2IC to Maj B.A. Gauvin; and Maj L.S. Hammond turning over command of E Bty to Maj R.P. MacEachern.

After summer leave, many members of the Regiment supported a Reserve Artillery Officer Training Plan course in one way or another and helped these new officers gain much needed skills for their new careers in the reserves.

Shortly thereafter, an exchange between 1 RCR and the Royal Green Jackets in England was announced, and many snatched up the opportunity to visit that Country in September. Members became training troops for the Combat Commanders' course for Exercise GLOBE TROT. They humped long marches with 1 RCR, challenged themselves on obstacle courses, and learned new weapons. They also trained on a FIBUA site that Bdr Bishop said was, "a fabulous urban warfare site". Our Gunners thoroughly enjoyed the experience and even went on a two-day trip to London.

When they came home, they were launched into continuous field activities, such as section attacks, pairs live firing, jungle lanes and weapons skills. D Battery went on a DART exercise just outside Ottawa, where they fired many different weapons, including the shotgun for some good old-fashioned skeet shooting. Bruises were had by all.

October was a crazy month; I don't think anyone slept indoors. E Battery was fortunate enough to bring F Battery over to the dark side and show them what a real gun looks like, falling in on the M109s. F Battery augmented guns detachments in D and E Battery over the next few months. D Battery was participating in an RCD exercise where the M109s were having difficulty keeping up and required their BC to leap frog gun troops in order to be effective. E Battery, on the other hand, headed up a series of new fun exercises, such as Exercise DIGGING GUNNER, where the Battery was completely dug in, with some assistance from engineers in the construction of pits. Volunteers from Headquarters and Services

and D Batteries pitched in and filled sandbags to also help out, truly making it a regimental effort. Their help was greatly appreciated and sped up the weeklong activity of filling sandbags and camouflaging the gun position. Just to spice up the fun already being had, there was the added prize of a bucket of Kentucky Fried Chicken that was awarded to the Gun Detachment with the best camouflage. MBdr Melanson's gun took home that prize for the "beaver dam" that hid their gun.

Then in November, the Regiment, along with some Korean Veterans and other distinguished guests, marked one of the saddest and most significant events in our regimental history by conducting the Canoe River Service on the Mattawa Plains.

In December, after all the various "Gunner" exercises, E Battery again headed to Gagetown. This time support 2RCR in Exercise ROYAL FIST. The highlight of this exercise was when TOWs, M109s, and Leopard Tanks were all under the control of BC E. Mean while D Battery did their own winter exercise on the home front in Petawawa. And eventually everyone came home just in time for Christmas.

Sadly in late December, members of F Battery were called off leave to be part of an honour guard at His Excellency Raymond Hnatyshn, Canada's past Governor General's funeral.

As I look back at the year's activities, and where the Regiment is today, I see the same circle of fury and chaos that I am proud to call home.

Canoe River Ceremony.

# 5<sup>E</sup> Régiment D'Artillerie Légère du Canada

L'an 2002 a été une année très chargée pour les membres du 5<sup>e</sup> Régiment d'artillerie légère du Canada. Les déploiements des batteries R et Q en Bosnie-Herzégovine y ont compté pour beaucoup. Il y a aussi eu des changements majeurs au niveau de la chaîne de commandement lorsque ces batteries sont retournées de mission. Les tâches connexes, une fois de plus, ont été nombreuses et le Régiment a surmonté ses épreuves avec brio. Voici un bref aperçu des activités majeures qui ont meublées l'année au 5 RALC.

## L'ANNÉE 2002 AU 5 RALC

La batterie R fête le nouvel an au Camp de Glamoc en Bosnie-Herzégovine. Pour sa part, la batterie Q débute l'année en participant à l'exercice CORBEAU AGRESSIF 4 en vue de la préparation du déploiement de la rotation 10 de l'OP PALLADIUM. Cet exercice a été le dernier exécuté au niveau de batterie avant le déploiement. En février, l'état-major de la

batterie Q et les officiers d'observation avancés participent à l'exercice LION PROTECTEUR, un exercice sur le simulateur JANUS visant à confirmer l'état-major du GB 2e R22eR avant son déploiement en Bosnie-Herzégovine. La batterie participe ensuite à l'exercice PALLADIUM FUSION, l'exercice de validation en milieu urbain du GB 2e R22eR qui a lieu en Beauce.

La fin de semaine du 23 au 24 mars 02 marque la fin de la saison pour l'équipe de biathlon du Régiment. L'équipe participe alors au championnat des FC à Valcartier et décroche la médaille d'argent pour l'épreuve du relais et des médailles de bronze pour équipe aux épreuves du 15km et du 10km. Le mois d'avril 02 marque la fin des congés de débarquement des membres de la batterie R qui s'étaient déployés en Bosnie-Herzégovine ROTO 9. Du même coup, les membres de la batterie Q terminent leurs congés d'embarquement avant de remplacer la batterie R. Pendant la fin de semaine du 11 et 12 mai 02, le Régiment a détaché un contingent pour participer au Droit de Cité de la 5e Brigade dans les rues de la ville de Québec. Pendant ce temps, le quartier-général de l'unité (incl. cmdt, PC 0 et PC 95) a participé du 1er au 24 mai 02 à l'exercice BALKAN GUNNER en tant que quartier-général du groupe de support offensif (GSO) en Bosnie-Herzégovine. Pour l'occasion, le groupe a rejoint la Bie Q en Bosnie et a orchestré cet exercice qui réunissait des unités d'appui-feu provenant aussi du Royaume-Uni et Hollande.

Les artilleurs de la batterie R effectuent un tir direct lors de la compétition de batterie qui s'est tenue en mars dans les secteurs de Resolute Barbara Range à Glamoc durant l'OP PALLADIUM ROTO 9.

Le premier juin 02, le Régiment s'impliqua dans deux cérémonies. La première, la cérémonie Short-Walick, commémora deux artilleurs du même nom qui ont laissé leurs vies dans un incendie catastrophique en 1889 à Québec. Un monument a été érigé en 1891 pour commémorer leur courage. Ce dernier a fait l'objet d'une réfection majeure et d'une re-localisation en 2002. Pour l'occasion, plusieurs invités de marque étaient présent dont le maire de la ville de Québec et le Colonel-Commandant de l'artillerie. Ensuite suivit la parade du Droit

de Cité qui en était à sa 19e édition. C'est le 9 juillet 1983 que la Ville de Québec accorda le Droit de Cité au 5e Régiment d'artillerie légère du Canada. Pour l'occasion, le Régiment a fourni trois gardes de 50 hommes qui ont paradé dans les rues de la Ville de Québec. Pendant la semaine du 3 au 7 juin 02, l'équipe de tir du régiment a participé au championnat de la brigade. Notre équipe de C-7 a remporté l'épreuve des 12 matchs et la coupe du soldat en tant qu'équipe mineure. Cet événement a été un franc succès pour le Régiment.

Par ailleurs, c'est avec grand regret que le 5e RALC a annoncé le décès de l'adjudant-chef (à la retraite) Rhéaume suite à un accident de travail survenu le 24 avril 2002. Les cérémonies funèbres, auxquelles plusieurs membres du Régiment ont participé, ont eu lieu le samedi le 8 juin 02 à l'église Ste-Catherine située à Ste-Catherine de la Jacques-Cartier. L'Adjuc Rhéaume a servi les canons pendant 30 ans. Il a joint les FC en 1969 et a pris sa retraite en août 1999. Pendant son service militaire, il a occupé de nombreuses positions au 5e RALC incluant celle de sergent-major régimentaire (SMR).

Colonel J.P.P.J. Lacroix a pris le commandement le 5 juillet 02. Cette parade s'est avérée la dernière pour l'Adjuc Lévesque au sein de l'unité puisqu'il fut remplacé dès le lundi suivant, le 8 juillet 2002, par le nouvel SMR du 5e RALC, l'adjudant-chef Desrosiers. À la fin du mois de juillet, soit du 20 juillet au 2 août 02, le Régiment a envoyé une équipe de quinze personnes au championnat de tir des Forces canadiennes à Connaught. L'objectif de l'équipe était de terminer meilleure formation provenant de notre Brigade toutefois, le 1er R22R a eu raison sur notre équipe. C'est tout de même un très bel effort collectif.

Le mois de juin 02 fut aussi le témoin de plusieurs changements au niveau de la chaîne de commandement alors que les CB Majors Alain Barbier et Yvan Audet ont été relevés par les Majors Marc LaFortune et Ghislain Plante dans les batteries R et C&S. Une parade régimentaire avait alors convoqué les membres du Régiment le 14 juin 02 pour procéder à ces changements. Enfin, la dernière activité du Régiment pour le mois de juin 02 a été la participation d'une troupe de salut au concert sous les étoiles du 30 juin 02. Cette dernière a tiré quelques coups de canon pour accompagner la musique du Royal 22e Régiment. Le mois de juillet 02 est entamé par un déploiement de la batterie R à la citadelle de Québec à l'occasion de la fête du Canada.

Le mois d'août 02 fut une période assez calme mise à part la participation des membres du 5 RALC à des démonstrations statiques à l'occasion de l'EXPO Québec entre le 14 et le 23 août 02. Ces derniers ont tout de suite eu droit à leurs congés. Le 4 septembre 02 le Régiment a dépêché un contingent à Sherbrooke pour participer aux obsèques de l'un de ses membres, le bombardier Guy Fournier. Le 7 septembre 02, la batterie R s'est rendu à la Citadelle de Québec pour effectuer un Salut Royal au

l'occasion de la fête du Canada. Cette même batterie, qui était au rendez-vous quelques jours auparavant pour le concert sous les étoiles, devait en ce 1er juillet tirer 21 coups de canon à la Reine. Le Régiment a ensuite participé à une parade de changement de commandant de la brigade alors que le

La troupe de Salut de la batterie R en action à la Citadelle de Québec.

Gouverneur-Général du Canada. Du 15 au 19 septembre 02, la batterie de Commandement et Services s'est déployée à Farnham pour y conduire l'exercice CHEVAL ACCOMPLI. Cet exercice avait pour but de mettre en pratique les "Normes Individuelles d'Aptitude au Combat".

*La Batterie R assure un environnement sécuritaire en effectuant une de ses nombreuses patrouilles montées à bord d'un Grizzly dans les campagnes entourant la ville de Glamoc.*

Enfin, le 23 septembre 02, le Régiment a participé à une journée sportive alors que tous les membres ont pu choisir entre un tournoi de golf, de balle-molle ou de soccer. Des commanditaires ont même participé au tournoi de golf permettant ainsi aux participants de gagner certain prix de participation. En ce qui a trait à l'entraînement, le mois de septembre marque le début de l'OP GAUNTLET dans le cadre de la FRI(T) (Force de réaction immédiate (Terre)). Afin de participer à cette opération, l'entraînement des membres de la Bie R a débuté au mois de septembre en vue d'être déclarée opérationnelle (CAPOP) le 1er juillet 2003.

Le début octobre 02 coïncide avec l'arrivée des derniers membres de la batterie Q, qui étaient déployés en Bosnie-Herzégovine avec la ROTO 10. Ensuite, le 11 octobre, a eu lieu la 26e édition de la course Whalen qui proposait, comme à chaque année, un parcours de 5 kilomètres. Cette course

*La passation de commandement de la batterie légère de la FOBH entre le Maj Alain Barbier (Bie R, roto 9) et le Maj Marcel McNicholl (Bie Q, roto 10) qui s'est déroulé le 27 mars 03 à Tomislavgrad. On note la présence du SMB de la Batterie R (l'Adjum Giroux) et le SMB de la Batterie Q (l'Adjum Manny).*

a été remportée sans grande surprise par le bombardier Christian Marmen. Ce dernier a été nommé plutôt cette année athlète masculin par excellence des Forces canadiennes lors d'un gala de mérite sportif présidé par le Chef d'État-Major de la Défense (CEMD) le Général Ray Hénault. Le 31 octobre 02, la batterie X reçoit officiellement le mandat de fournir une troupe de mortier dans le cadre de l'entraînement pour la FRI(T). Cette fonction mortier, désormais reprise par les artilleurs, obligera éventuellement chacune des batteries à qualifier et maintenir l'expertise de leur personnel sur cette arme.

En novembre 02, le Régiment a d'abord fourni 2 équipes d'OOA en plus de l'équipe du Maj Michel Perreault (CB X) pour prendre part à l'exercice GUERRIER TRIOMPHANT qui se tenait

à Gagetown pour la validation du VBL-III au sein du 1erR22R. De plus, le mois de novembre 02 marqua le retour complet de la batterie Q au travail alors que la totalité de ses membres terminent leurs congés de débarquement. Sur le plan sportif, il faut mentionner que le bombardier Philippe Gignac, est revenu d'une compétition internationale de karaté qui se tenait au Panama avec en poche le titre de champion mondial dans la catégorie mi-lourd ceinture noire. Il était le seul canadien en liste. La journée de la Ste-Barbara, le 4 décembre 02, fut soulignée avec des parties de hockey entre le Régiment et le 5e RGC. Des festivités au 5e RGC ont suivi les rencontres sportives. À l'occasion du dîner régimentaire qui honorait la Sainte-Barbara et qui s'est tenu le 7 décembre 02 au Manège Militaire du 6e RAC, nous avons eu l'honneur d'accueillir le Colonel commandant de l'artillerie, le Bgéné John Archibald MacInnis. Ce dernier a profité de son passage pour visiter nos installations le 6 décembre 02. Notre dernière semaine de travail en l'an 2002 s'est conclue par une parade régimentaire qui s'est déroulée à la caserne Bouvette le 13 décembre 02. A cette occasion des décorations, des médailles et des promotions ont été remises.

## CONCLUSION

Cette brève revue de l'année 2002, démontre que l'année qui s'est achevée fut très demandante pour les membres du 5 RALC. Mais encore une fois le Régiment a démontré hors de tout doute que ses membres peuvent accomplir les tâches demandées et offrir un haut standard de qualité. En 2003, des nouveaux défis se présenteront devant nous. En effet, on n'a qu'à penser au déploiement de près de 150 artilleurs en Afghanistan dans le cadre de l'OP ATHÉNA et le déploiement de la rotation 14 de l'OP PALLADIUM en Bosnie-Herzégovine. Par contre, les artilleurs et les canons du 5 RALC sont prêts à relever les défis qui se présenteront sur leurs routes en 2003.

# 4<sup>th</sup> Air Defence Regiment Royal Canadian Artillery

This past year has been an extremely busy one for all members of the 4th Air Defence Regiment. It included participation in Op PALADIUM ROTO 9, EXERCISE PERFECT KILL 02, the conduct of Regimental School, and most importantly, Operation GRIZZLY. Although, the fast

IBTS training during Ex SERIOUS PRIDE. Most of the month of March was used to sharpen the Regiments IBTS skills and to prepare them for the up coming months.

Although the previous exercises were challenging, they cannot be compared to the unit's participation in Ex NIMROD GALE. The grueling final exercise for the Bty Comd's Crse was held in mid April. This exercise was a challenge for everyone in the unit due to its nature and range restrictions. Most of the roads were washed-out or buried in mud, this brought valuable training for the Recce Elements. Although, we didn't know it at the time it allowed for valuable work up training for our future deployment. Then, with just enough time to knock the mud off our boots, the Regiment headed for what it hoped would be sunnier destinations, Bagotville Que. Exercise AMALGAM allowed for the continuation of Det development against high performance military aircraft and the Bty CP had their first interaction / amalgamation with the Air Force in preparation for OP GRIZZLY.

Roto 9 Platoon shows off Tim Hortons mugs sent from home.

pace and hectic schedule created many challenges, they were met with ridged resolve and determination which resulted in success and increased Regimental Pride, esprit de corps and operational capability.

After months of work up training at CFB Valcartier, Capt Dawson and MWO Degready had the challenging task of leading a platoon for ROTO 9. The platoon's performance during the deployment was exemplary, bringing pride to the Regt and all of its' members. The fact that it was the only platoon to win a Battle Group Commander's commendation speaks volumes of the professionalism and dedication demonstrated by each member involved. The Regt looks forward to the opportunity and challenge of future ROTOs and defending our reputation established by our ROTO 9 Platoon.

While the ROTO platoon was away in Bosnia, the rest of the Regiment began to prepare for Ex PERFECT KILL 02 and Op GRIZZLY. The work-up training started in January, with the first major test commencing in February on Ex PADLOCK ONE. The reserve component of the Regiment moved into Camp Petersville to confirm their

The month of May brought about an interesting time for the Regiment, conducting EX PERFECT KILL 02. No training could have prepared the Regt and its' soldiers for the immense, record breaking rainfall that fell into the desert-like landscape of the CFB Suffield Ranges during the EX. Six months of hard training culminated with the firing of 35 live missiles under extremely arduous and challenging field conditions. Every wheeled vehicle at our disposal had sunken to the doors in what was once a desert like environment, turned into a muddy nightmare due to many days of relentless rain on the Suffield ranges. Wrecker and MRT crews earned every cent of their FOA just to keep vehs and equipment moving on the range and preventing Mother Nature from interfering with the Exercise. It was through the sheer determination of every member of the Regiment that 35 missiles were fired within a 48-hour period. PK 02 included many firsts for the Regt and the Air Defence including a successful Hold Fire ordered on a missile in flight that was Det Comd'd by Sgt Young and handled impressively by Gnr Lively, who was able to shoot three missiles from Major Sutherland's rather vast arsenal. In addition to this, PK 02 boasted the first

successful simultaneous engagement of one target by two ADATS missiles.

*An ADATS fires a msl at an aerial tgt during PK 02.*

Finally, the rain ended just in time to clear the Suffield Ranges, and in mid June the Regimental advance party set off for the Kananaskis Valley to prepare for the Regt's arrival and deployment for OP GRIZZLY. It was time for the Regiment to prove its training and reveal itself to the world in an operation. It was the first time AD Artillery had deployed operationally within Canada's borders with live ammunition, and it was key to the protection of the air space that surrounded the Kananaskis Resort where all of the leading dignitaries of the G8 were staying.

From the outset, the ADATS became a popular media attraction. "Hollywood Detachment", belonging to Sgt McNeil, had two of its members, Gnr Peters and Bdr Twohig, smattered across the front page of The Calgary Sun, quickly becoming the victims of the jealous scorn of

*Sgt Boylan Collinridge's Det being guided into position in the Kanaskis Valley.*

the entire unit. The "Swan Platoon" in Cochrane, under auspices of Capt Embree, and working with the Air Force directly, did their best to convince themselves and the rest of the Regt that they did not have it so soft.

OP GRIZZLY proved to be a challenge for 210 Wksp as well. They spent many long hours maintaining and running diagnostics on the ADATS, which were deployed and required, in SITU attention. With restrictions on movement, our techs had to cover a lot of ground. There was also some ingenuity and initiative on their part in the improvisation of a "new tool", or at least a new use of a known device to clean the Radar Feed Horn.

For the period of August through November, the Regiment focused mainly on Regimental School and courses such as a Light Track Course, Driver Wheel Crse, and two ADATS Gunner Courses as well as supporting several crses at the Arty School. As new gunners are trained, they are reminded of the years past events and will see themselves as being very much a part of the Regiment. During the month of September, 4th Air Defence Regiment hosted family days in Gagetown as well as in Moncton N.B., and deployed a GDF005 35mm anti-aircraft gun and a Skyguard MKII Fire Control Radar to the Nova Scotia International Air Show, which proved to be a great experience for all those involved. The highlight of September came with Ex STAUNCH GLADIATOR which gave the Regiment a chance to show off the ground roll capabilities of its' equipment. Three ADATS missiles were fired at, and hit, ground targets from a distance of five thousand six hundred metres, (5.6) km.

Annual and collective training was tested one last time during EX ROYAL FIST, which saw an ADATS Troop being deployed in a Btl Group environment, during a live

*210 WKSP & 119 Bty in competition during Regimental RV.*

fire exercise. The troop faced new challenges from the Detachment level through to the Troop Commander. Mobility and liaison issues were encountered as well as logistics issues unique to the Btl Gp environment which proved to be an invaluable training opportunity.

To end another year, the Regiment celebrated St. Barbaras's Day with the annual RV weekend, which brought all of the members of 4th AD Regt from Cold Lake AB and Moncton NB to sunny CFB Gagetown. There was competition and comradery at all levels on and off the sports fields, as well as re-acquaintances and reunions of old friends.

ADATS fires at a ground tgt during Ex STAUNCH GLADIATOR.

proved that when given the opportunity Regiment is capable of soldiering with the best of them. In the end, we have been successful in two ways this year. First, we did not have to fire a missile in anger, and secondly, it has brought the unit closer together and has established a new foundation of trust and support amongst all of the sub units for future

Op GRIZZLY and Ex PERFECT KILL 02 were highlights of the year. Over 39 missiles have been fired down range and many new lessons have been learned. ROTO 9

deployments in what promises to be a challenging and exciting future. To all members of the unit, congratulations on a job well done during the past year.

# The Royal Canadian Artillery School

2002 was another challenging, exciting, and successful year for the Royal Canadian Artillery School (RCAS). Although the School remained based in Camp Gagetown, New Brunswick, it extended its direct influence across Canada and Europe by sending Instructor-in-Gunnery Teams to all Regular Force Regiments, many Reserve Regiments, and Bosnia-Herzegovina. While the School delivered

a number of varied courses and undertook a myriad of tasks throughout the year, the Instructors-in-Gunnery, Assistant Instructors-in-Gunnery, staff, and students witnessed a large number of changes. This first full year post September 11th, 2001 saw new technologies, many inherent within the LAV III Observation Post Vehicle (OPV), arriving at the School. These new technologies launched a renaissance of development in the School and in the Royal Regiment that will elevate the standard of field gunnery for years to come. In short, the Field Artillery now has the capability to open in fire for effect. Another large change in the face of the RCAS

2Lt Pitt learning GLPS on Ph IV.

occurred as a result of its Change of Command from Lieutenant-Colonel K.F. Haeck to Lieutenant-Colonel J.D.E. Crosman in July. Each of the five Batteries also had their own unique part and story to tell in the big picture of the Centre of Excellence of the Royal Regiment of Canadian Artillery.

As was previously mentioned, Lieutenant-Colonel Ken Haeck, who assumed the appointment

of Chief of Staff for the Combat Training Centre, relinquished command of the RCAS in July. Assuming command of the School was Lieutenant-Colonel John Crosman, who had just left the position of Commanding Officer of the 2nd Regiment, Royal Canadian Horse Artillery in Petawawa. Lieutenant-Colonel Crosman's father, Colonel J.E. Crosman, commanded the School from 1973 to 1976. In attendance at the Change of Command Parade were the Lieutenant Governor of New Brunswick, Her Honour Marilyn Trenholme Counsell, Commander Combat Training Centre, Colonel M.J. Ward, Commander Camp Gagetown and 3 Area Support Group, Colonel B.W. MacLeod, and the Director of Artillery, Colonel R.D. Gunn.

Headquarters Battery provided excellent support of the School through the execution of its mission, "to provide Standards, Administrative, Information, Simulation, Operations, and Training functions to the RCAS in support of its Centre of Excellence responsibilities." The Battery saw a change in its leadership as Major L.J. Hammond replaced the retiring Battery Commander, Major K.T. Keffer. The Battery Sergeant Major's pace stick was also passed from Master Warrant Officer J.D.C. Coulombe, who moved on to 128 Air Defence Battery, to Master Warrant Officer J.P. Given. Some memorable activities included all of the Battery personnel completing

Ph III Student on Recce.

the Land Force Command Personal Fitness Standard, the Air Defence Standards Troop organizing a highly successful Armed Forces Day in Fredericton, the Maintenance Standards Troop organizing a very entertaining and successful Christmas Party, and the Information, Technology, and Simulation Troop significantly improving the School's Web Page. The Battery also provided instructors for the Royal Canadian Artillery's first LAV III OPV Crew Commander's Course. Field, Air Defence, and Maintenance Standards Troops were kept very busy with Writing Boards and amending and revising Training Plans and courseware.

The Chief Standards Officer was busy throughout the year designing, and briefing Artillery Council, on the new Artillery Career Structure, which will see the Regiment's Field Artillery soldiers split into three distinct career paths: Observation Post (OP), Command Post (CP) and Gun/Recce. This model was designed because the old "everyone learns everything" model was assessed as unsustainable with the introduction of increasingly high tech equipments. The Chief Standards Officer also completed a major ammunition review, which resulted in a 70% reduction in the ammunition used in individual training. This review was necessitated by the Army's insolvency and resulted in a savings of 35 million dollars. Much time and effort was also devoted to the RCAS formally becoming the Centre of Excellence for the 81mm Mortar. This work involved the design of several courses and the drafting of an Artillery Safety Order. Overall, it was a very busy but rewarding year for Headquarters Battery, which more than fulfilled its responsibility of maintaining the standard for all Artillery and Air Defence Primary Mission Equipment Courses.

The year began with a name change for Tactics Battery, as it began the year with the name "Tactics and Doctrine Battery." The only course that the Battery ran in 2002 was the Artillery Staff Duties Course, which ran from January to

*Bdr Melanson during the Basic Comms course run by W Bty.*

February. Targeting Troop, formerly known as Survey Troop, spent most of the year providing survey and Global Positioning System (GPS) support to various courses and exercises, including the Battery Commanders Course, the 6B Course, the Artillery Officer Phase IV Course, and the Advanced Technician Course. The Troop was also heavily involved in designing the new Surveillance and Target Acquisition Battery and its associated career developmental plan. Ammunition and Equipment Troop was extremely busy with the Mortar Battery Design project and writing tactics, techniques, procedures, courseware design and individual training for the LAV OPV and its detachment. The Battery organized the annual Artillery Tactics and Training Symposium, which took place in Camp Gagetown in February. The Battery Commander and Battery Sergeant Major also worked diligently on the highly successful Base United Way campaign. It was a very successful and busy year for Tactics Battery.

Much like the other Batteries at the School, Gunnery Training Battery experienced a busy and eventful year. The

*Briefing for the Arty Tech Supervisors Course.*

*Cmdt LCol Haeck views the training of the Arty School's affiliate.*

pace in the Battery is always fast and hectic and 2002 was no exception. The Battery faced a near full rotation in the leadership positions, but the adaptability common to the Canadian Artillery prevailed and the result was a more prolific organization. While Major T.R. Young remained the Chief Instructor-in-Gunnery, both Senior Instructors and the Battery Sergeant-Major were posted. Captain Dumas and Captain Schamehorn became the Senior Instructors of Field and Air Defence troops, and Master Warrant Officer Benoit was posted in as the new Battery Sergeant-Major. The primary focus of Gunnery Training Battery continued to be the conduct of national courses; however, the Battery was also responsible for courseware production, the production of Chief Instructor-in-Gunnery Directives, and was involved

in Instructor-in-Gunnery Assistance teams. Some of the major tasks that the Battery undertook in this regard were the production of new tactics, techniques, and procedures for the operation of a Field Artillery Battery, a complete overhaul of the instruments manual, and a review of mortar safety for artillerymen. All of these tasks were completed despite having significantly fewer Instructors-in-Gunnery and Assistant Instructors-in-Gunnery. The Battery's busiest time was the summer period, when the bulk of the courses being conducted were related to Basic Artillery Officer training. As always, numerous candidates came from across Canada to train to become Artillery Officers. In total, 18 Field and 16 Air Defence candidates graduated. This year also saw the introduction of LAV III OPV training with the first Course graduating in March 2002. On the Field Artillery side of the Battery, a number of important courses were run. After a very demanding and interesting year, which culminated with the Battery Commanders Fire Planning Course, the Instructor-in-Gunnery (Field) Course graduated six Instructors in May. The

Phase III and IV Basic Artillery Officer Courses were run from end May until the beginning of August. The fall also saw 12 Assistant Instructors-in-Gunnery (Field) graduate and join the bullpen. The Qualification Level 6A Course graduated 21 students in November. Over the same time period, an Artillery Technical Supervisor's Course was run with thirteen successful students. The Air Defence bullpen was no less busy with their myriad of courses. There are currently six students on the Assistant Instructor-in-Gunnery Course, which began in August. Both the NCM Development Period 1 Course and Air Defence Sergeant's Course graduated 12 students. The Air Defence Officer Phase III saw 10 new qualified officers graduating, along with six who made up some missed training from the previous year. The Air Defence bullpen conducted Instructor-in-Gunnery assistance on two major missile firing camps. In June 35 missiles were fired with the assistance of the School on Exercise PERFECT KILL 02 to prepare 4 Air Defence Regiment for their duties at the G8 Summit. 58ieme Batterie took part in Exercise BLAZING ARCHER firing 22 missiles and making nine direct hits. Altogether, it was a busy and successful year for Gunnery Training Battery.

*Guests at the Basic Artillery Officer Mess Dinner.*

Commanded by Captain Bob Thomas, Maintenance Training Battery completed another highly successful year during which it delivered five courses on Low Level Air Defence and Land Based Radar Equipment, graduating 23 students. The graduates all returned to their units with the knowledge and skills required to confidently maintain and repair

these highly sophisticated equipments. Of significant note, during 2002, a Service Level Agreement with the

*Gunners ice climbing during Adventure Training.*

Canadian Forces Support Training Group was signed which will see all M109 Vehicle and Weapons Technician Occupational Speciality Training conducted at the RCAS. This arrangement will significantly increase the throughput of students on these Courses, which should in time re-

solve the Regiments' problem with a lack of qualified maintainers. Aside from providing the mandated Technical Training, the Battery also supported a number of outside organizations, which included providing weapons maintenance support for Exercise STAUNCH GLADIATOR and teaching a Laser Safety Course for both 3 Area Support Group and 202 Workshop. Another memorable activity was the Battery's wholehearted push on physical fitness training. The physical fitness programme culminated in October with all members of the Battery undergoing CF EXPRES testing and successfully completing the Land Force Command Personal Fitness Standard.

2002 proved to be as challenging and diverse a year as any of the previous for W Battery. The Battery sup-

*New drivers practicing during the light track course at the School.*

ported upwards of 30 Field and Air Defence courses and was the core of the Base Auxiliary Defence Force (BASF). Major Lawrence Dufour replaced Major Tim Bishop as Battery Commander and Master Warrant Officer Rusk passed the Battery Sergeant Major's pace stick to Master Warrant Officer McCormick in July. The Battery also saw Captain Buchanan move from the Battery Captain's office from K-14 to J-7, where he assumed the duties of the School Adjutant. Captain Gillan, formerly Troop Commander Support, assumed the duties of Battery Captain. In addition to providing support to School courses, the Battery also conducted a number of Battery level tasks this year. The Battery's annual BASF training in September was particularly notable. The training consisted of lectures on VIP security, crowd control, cordon and search of vehicles and personnel, media relations, Rules of Engagement, and culminated with a very successful confirmation exercise. The receipt and integration of the LAV III and TCCCS equipments produced their own training challenges for drivers, gunners, crew commanders, and signallers. Superimposed on all of the aforementioned activities was the need to conduct individual training within the Battery. The courses conducted by W Battery included TLAV Driver, FOO Technician, Skyguard Gunner, Air Defence Technician, Basic Technician, and LAV OPV Driver. The Battery also provided Field and Air Defence equipment displays at the Fredericton Armed Forces Days in July, the Shearwater International Air Show in September, the Greenwood Armed Forces Day in October, and the reopening of the Fredericton Airport in November. Both new and old challenges were met with professionalism, dedication, and pride by all members of W Battery, proving once again that the only sub-unit in the Royal Regiment of Canadian Artillery that has Field and Air Defence Gunners

*Gunners from W Bty prepare to fish during EX Aquatic.*

*Student IGs with Cmdt LCol Haeck.*

working side-by-side to achieve common and uncommon goals, is second to none.

W Battery's Field Troop is always a busy place, and this year was no exception. A myriad of national courses

*Students from the Fd 6A Course on the range.*

were supported including: Artillery Officer Phases III and IV, Field Qualification Level 6A, Field Assistant Instructor-in-Gunnery, and Field Instructor-in-Gunnery Courses, just to mention a few. There were many additional taskings that were unrelated to national Field Artillery training that were supported. These tasks included firing for the Command Staff College Visit and providing salute guns in Oromocto, Boiestown, Nashwaak, Douglas, New Jerusalem, and Doaktown on Remembrance Day. Amidst all of the work, some time was still

allocated to have fun. Many of the Troop personnel participated on the Battery Adventure Training trip to Prince Edward Island in September. During this Exercise, the Troop soldiers were challenged both mentally and physically with activities such as deep-sea fishing, scuba diving, biking, and sea kayaking.

Air Defence Troop was no exception with regard to the high tempo of training. Throughout the year, providing instructor support to NCM DP 1 Course serials, Air Defence Officer Phase II, Light Track, ADATS Operator, TCCCS, and TLAV Courses provided an excellent teaching opportunity for Junior Non-Commissioned Officers and Sergeants. Many national courses were supported throughout the year including Air Defence NCM DP 1, Javelin Detachment

Commander, Air Defence Instructor-in-Gunnery and Assistant Instructor-in-Gunnery, and Air Defence Officer Phases II and III, not to mention many driver tasks in support of Field Artillery courses. The Troop also provided 12 soldiers to support 4th Air Defence Regiment during Operation GRIZZLY.

Amongst all this training, the Troop was also able to place soldiers on courses, such as the Communications, TLAV Driver, Air Defence Qualification Level 6A, Primary Leadership Qualification, ADATS Operator, and Light Track Courses. The Troop also demonstrated the effectiveness of the Twin 35mm Air Defence Gun by engaging both air and ground targets during Exercise STAUNCH GLADIATOR. Two soldiers participated on Exercise BLAZING ARCHER, a Javelin live fire camp, during which Gunner Lajeunesse successfully engaged and destroyed an aerial target. Life, however, was not all work and no play. Many Troop personnel participated on Battery Adventure training. Specifically, Troop personnel participated on Exercise FAST WATER, a canoeing adventure, and Exercise

EXTREME SKYDIVE, a parachuting adventure, where all were challenged both mentally and physically.

The year was extremely busy for the Support Troop. The Troop delivered its normal millions of dollars worth of ammunition and drove and oversaw the maintenance of over 200 vehicles and weapon systems. Throughout the training year, the pace of activity in the Quarter Master Stores and the Pronto shop were very hectic as they supported courses and

continued to distribute the new TCCCS equipments and dispose of the legacy radio equipment. In the midst of this busy training schedule, Support Troop personnel participated in various Adventure Training activities, providing a much needed means to relax and get away from the rigours of course support at the Troop.

The year 2002 was a diverse and challenging one for the members of the Royal Canadian Artillery School. Once again, the School proved that it could accomplish any assigned task. Overall, the personnel at the Royal Canadian Artillery School worked very hard and produced first-class results despite the busy pace. The upcoming year holds many new challenges for the School. While it will continue to provide individual training and Instructor-in-Gunnery expertise to the Royal Regiment, it will also lead the Royal Regiment into the future. The Army Vision and the requirements of future operations clearly indicate that significant changes are ahead for the Artillery. The

School, as the Centre of Excellence for Artillery training and the development of Artillery tactics, techniques, and procedures, will lead by grasping this opportunity and moving forward into new areas that will make the Canadian Artillery more robust and relevant in all operations. Integrating new ISTAR doctrine with current fire co-ordination and targeting processes will also be pursued. Getting this aspect right will be critical to ensuring that the Artillery can win the stand-off engagements that are essential for success on future operations. For the Air Defence Artillery, the School will concentrate on improving situational awareness to enhance future operational capability. Firepower, in conjunction with information operations, will be the decisive factor in future operations, and the School will lead the way by developing new career structures and training methodologies and new more robust, more relevant, organizations and tactics. Beyond a doubt, the exceptional and versatile Gunners of the Royal Canadian Artillery School will capably meet all challenges.

## *Royal Canadian Artillery*

3rd Field Artillery Regiment (The Loyal Company)  
Fires Salute for Captain General

What a great day for the Loyal Company. On 11 October, 2002, 3rd Field Artillery Regiment (The Loyal Company) fired a Royal Salute for Her Majesty, Queen Elizabeth II, our Captain General. The task began months before, when the Province of New Brunswick was informed that Her Majesty would indeed be visiting the Province. Ann Reynolds, Chief of Protocol for the Province of New Brunswick, requested a Royal Salute, and a 100 man guard with a band as part of the visit activities.

Next came the planning, and the confirmation visits by Her Majesty's planning staff. Finally, we received the official task. 3rd Field Artillery Regiment would provide a 21 Gun Salute on arrival of the Captain General in Fredericton, and the Regiment's Band would lead the first Battalion Royal New Brunswick Regiment (Carleton and York) through the streets of Fredericton as they mount a guard for Her Majesty's arrival.

Seldom in the 210 years of the Regiment's history has it had the honor of greeting Royalty with powder. In 1985, the Regiment fired a salute for Prince Charles and Lady Diana upon their arrival in Saint John. Prior to that, the Regiment honored Her Majesty with a 21 Gun Salute in 1956 on Her Majesty's arrival in Saint John.

Soldiers from 89 Battery in Woodstock, 115 Battery in Saint John, and HQ Battery in Saint John were carefully chosen for the task. Captain Shawn McPherson was tasked as Salute Troop Commander, and MWO Joe Linder was granted the distinction as TSM.

We deployed several hours before H-Hr, due to security, traffic interruption, and other planning details. At one point, our soldiers were controlling traffic into a security staging area, where undercover agents, RCMP, and Royal staffers were arriving. At H-10, the drills began.

H+4 arrived with a crackle on the radio,..... stand by. It was perfect. The sound of the last movement of the Guard's present arms was drowned by the echo of number one firing 160 M away. Over 15,000 people instantaneously had a better appreciation for the guns.

After the salute, Mrs. Reynolds, Chief Protocol Of-

ficer for the Province, offered the Regiment's leadership and salute troop to line the walkway of Her Majesty and Prince Phillip as they departed from Government House. Her Majesty acknowledged our presence, and proceeded to talk to civilian guests within the security zone. His Royal Highness stopped to talk to several gunners as he made his way down the drive.

Although 3 Fd Regt executes several tasks in the run of a year, from salutes to providing our field battery (-) to the Arty School for training support, this was different. This was a task that had been given to the Regiment only a few times in its 210 years of service, and the soldiers performed magnificently. What a great day for The Loyal Company. What a great day for The Royal Regiment of Canadian Artillery.

LCol J.T. Foote  
Commanding Officer

# 6<sup>e</sup> Régiment D'artillerie de campagne L'artillerie Royale Canadienne

Détachement du Sgt Coulombe 55C lors du tir direct à B.F.C Valcartier

L'année 2002 fut très active pour les membres du 6e RAC. Nous avons effectué cinq exercices de tir et tiré plus de 750 obus de tous types. Deux de ces exercices ont été réalisés sous la formule d'exercice de partenariat réunissant le 2 RCA, 6e RAC, 62e RAC, 58 BAA et le 5e RALC, deux autres exercices furent des exercices de batteries et le cinquième fut une concentration estivale de tir réel.

Ce fut ensuite un exercice de tir réel de partenariat en février avec le 5e RALC et toutes les unités d'artillerie du Québec. En mars se fut une opportunité pour le maj Richard Garon de réaliser un exercice autonome de batterie. En avril, ce fut une occasion particulière pour nos artilleurs de ce familiariser avec le combat en zones bâties. Cet entraînement était nécessaire afin de se préparer pour notre tâche de force ennemie pour la concentration de la 35e Brigade.

Concert au Crépuscule au Fort no de Lévis- La grande finale

## OP PALLADIUM ROTO X

Le 6e RAC a déployé neuf membres sur la roto X au sein du 5e RALC. La plupart de nos gens servaient au sein de la Bie Q du 5e RALC. L'expérience acquise fut dès plus bénéfique et le scénario de l'an dernier se répète avec la majorité des individus qui ont demandé un transfert à la Force régulière.

## ENTRAÎNEMENT HIVERNAL

L'année 2002 a donc débutée avec un exercice de guerre hivernale où le régiment devait retrouver un avion civil écrasé en montagnes. Nous avons pu constater les prouesses d'alpinistes de certains membres de l'unité qui ont vite appris qu'un toboggan peut s'avérer un sérieux handicap en montagne; le bdr c Breton en sait quelque chose.

## ENTRAÎNEMENT ESTIVAL

Les 34 et 35e brigades ont conduit une concentration commune du 12 au 18 août 02. Les artilleurs ont réussi à organiser leur propre concentration de tir réel du 5 au 11 août, sous les ordres du Icol Normand Brault. Ce fut aussi l'occasion de tenir une compétition de tir antichar sur les cibles mobiles de Lockheed Martin. Cette concentration fut possible à la condition que les artilleurs agissent comme force ennemie lors de la concentration des brigades. Nos membres faisant partie de la Bie W à Gagetown sont revenus juste à temps pour la concentration des brigades.

## CONCERT SOUS LE CRÉPUSCULE

Concert au Crépuscule- Le 1812 avec les canons du 6 RAC

Le 17 août, nous tenions notre troisième édition du concert sous le crépuscule. Une foule de 7 000 personnes fut rassemblée dans l'enceinte du Fort Lévis-Lauzon alors que 3 000 personnes s'étaient installées dans des endroits stratégiques à l'extérieur du Fort. Cet événement s'est mérité le prix spécial du jury lors de la cérémonie du Grand Prix du Tourisme de Québec.

#### ENTRAÎNEMENT D'AUTOMNE

Le 6e RAC s'est vu confier le mandat d'organiser un cours de chauffeur pour la rive-sud de Québec. Le cours s'est déroulé de septembre à mars et 54 qualifications furent octroyées. Deux exercices de tir réel furent conduits en octobre et novembre dans un climat de neige atroce. Le vent a fait renverser un VSLR sur l'autoroute mais il n'y a eu aucun blessé.

#### HISTOIRE DU 6e RAC

Le 7 décembre eu lieu le traditionnel dîner de la Sainte-Barbe à Lévis pour tous les officiers des unités d'artillerie du

Secteur Québec de la Force Terrestre (SQFT) sous la présidence du colonel honoraire Guy Laflamme. Notre invité d'honneur était le major général MacInnis, notre Colonel Commandant. Cette journée fut aussi l'occasion pour effectuer le lancement de l'historique du 6e Régiment, dont les auteurs sont le major Richard Garon (CB 59e Bie) et son frère Philippe. L'ouvrage a été révisé par le Dr Jacques Castonguay. Ce livre qui reprend l'histoire des artilleurs à Québec depuis 1760, est disponible au coût de 20.00\$ (chèque libellé au : FNP 6e RAC).

#### PARTENARIAT ARTILLERIE AU QUÉBEC

Le partenariat des artilleurs du SQFT a produit un PSOR (plan d'affaires) de trois ans visant à reconstituer les unités du secteur. Le Président du Partenariat, le Col Normand Brault remercie le 5e RALC pour le solide appui sans lequel les unités de réserve n'auraient pu effectuer les cours et exercices requis pour notre croissance.

#### CRÉATION DE L'AMICALE DES ARTILLEURS

Le 26 mai 2002, comme par hasard, s'est déroulée la première réunion officielle visant à reconstituer une organisation visant le regroupement des artilleurs de la région de Québec. Cette organisation, intitulée l'Amicale des artilleurs, vise à regrouper les artilleurs actifs et retraités de notre grande région métropolitaine. Tous les anciens membres qui désirent se joindre à l'amicale, veuillez contacter le commis-chef au (418) 835-0331.

En conclusion, l'état d'érosion de nos unités ne permet plus aux unités de fonctionner de façon autonome, notre confrérie des artilleurs du Québec s'est doté d'un concept d'entraînement permettant aux unités de s'épauler pour atteindre nos objectifs communs. Tous ensemble, nous y arriverons.

Les rendre ... Jamais !

## *20<sup>th</sup> Field Artillery Regiment Royal Canadian Artillery*

20 Field Regiment RCA had a banner year in 2002, as it was able to increase both the number of soldiers to 170 as well as increasing regular parade strength. With a flurry of activity in both Edmonton and Red Deer, the Regiment approached the training year with determination and a professional attitude demonstrating their ability to adapt to changing circumstances and the various challenges that the Army as an organization was and is still tackling today.

Our year began with the unit running a QL3 course, while some members took a LFC Driver wheeled course run by 749 Communication Squadron, with extensive support from 78 Fd Bty out of Red Deer.

January was highlighted by a computer-assisted exercise held in Edmonton as part of the Commanding Officer's Course. Once again, 20 Fd Regt took the lead, providing many of the support roles and all of the Arty expertise. The Regiment also provided the Artillery Fire Orders package for those members that completed the QL4 Communication course. This short course was timed to be run in conjunction with the Regimental School QL3 Basic Artillery, and Detachment Second in Command courses.

As we headed into the spring we continued our fast pace by hosting and entering four teams into the Inter-service Small Arms Competition (ISSAC) competition. 20 Fd Regt has hosted the Inter Service Small Arms Competition for the past several years with success. This competition between Police, Corrections and Military teams, provides a good time as well as excellent training for everyone who enters. This competition seems to be getting more popular each year with entries from three different Police Services (including a SWAT team), 3 different Federal Penitentiaries, and a number of military units this past year.

Other spring activities included the Victoria Day salute at the Edmonton Legislature, a display at Fort Normandeau days in Red Deer, and the confirmation exercise for all the Regimental courses run throughout

the early part of the year. We finished the spring with a first aid course and stood down the Regt for the summer of 2002.

Unfortunately, the Regiment's work did not stop with a stand down, as we still put on displays for various summer events such as the Edmonton Air Show, Rimbey Days, the Calgary Stampede, Red Deer Westerner Days, as well as, keeping our commitment as the Saluting Bty for Alberta by firing the Canada Day salute at the Legislature. Our tasks were complicated by the fact that many of our soldiers were away on course, on summer taskings, and on training for Roto 12 with A Bty, 1 RCHA. In spite of A Bty not deploying, several members went to Bosnia on the tour in other positions.

The fall began with the retirement of an old friend of the Regiment. Our long-time Honorary-Colonel, Colonel William George Ames, retired and Colonel Frank Kozar stepped up from the Honorary Lieutenant-Colonel to take his place. The Regiment also acquired a new Honorary, Lieutenant-Colonel Glynn Kenneth Edwards. The change over parade was held in Debney Armouries and was a big success with the Lieutenant Governor of Alberta, the Honourable Lois Hole acting as the reviewing officer. The Regiment presented her with an Honorary Gunner pin and scroll.

This event was followed closely with the Regiment providing the Guns for Tchaikovsky's 1812 Overture for the Edmonton Symphony Orchestra. We continued our community footprint efforts with the Red Deer Tat-

too held at the Centrum and hosted by the Red Deer Legion. The stunning display of military and police bands, dancers and other shows was a big hit with the community. October's focus was on the 41 CBG Exercise, Savage Bear, a live fire exercise held in CFB Wainwright. November 11 found the Regiment firing salutes and minute guns in Edmonton, Red Deer, Rocky Mountain House and St Albert. We closed 2002 with the annual St Barbara's Day Ball, held in Red Deer. The dinner was quite enjoyable for all who came and the weekend was a venue for some excellent training. The Regiment had firefighters and an Edmonton Police Services officer, who is also a member of the Regiment, conduct cooperative training during the day before the dinner. The basis for the training was that for soldiers of the Regiment to be effective in helping the authorities in an emergency, as they need to be aware of how these bodies work.

The coming year again presents the Regiment with a number of challenging issues as 20 Field Regiment, RCA strives to continue their growth in numbers and training levels. As the Army continues to evolve with the 81 mm mortar becoming an artillery weapon, the pace of change is expected to continue at a breakneck pace. The soldiers of this Regiment are well positioned to continue demonstrating our pride of place at the right of the line.

# *1<sup>st</sup> Air Defence Regiment Royal Canadian Artillery*

It's that time of year to look back on events that 2 Brigade's Air Defenders have accomplished in the year 2002. It was a busy year for 1 Air Defence Regiment as we continue to support 2 Canadian Mechanized Brigade Group as well as maintain our training challenges.

Once again, the Regiment conducted numerous courses in support of our Reserve Component soldiers. These included the newly comprised BMQ and SQ courses. Regrettably, with the implementation of the new DP timetable, the Regiment was unable to conduct MOC training last summer.

Individuals within the unit were very active in the past year. Gnr Blaedow assisted in OP Apollo as security for 3 ASG on the island of Deago Garcia. Gnr Charlong was posted to CFS Alert from 17 Apr to 17 Oct 02. MBdr White travelled to Belgium to train with the 14th Belgec Air Defence Regiment

Several personnel changes took place last APS. Departing personnel included Capt Tom Lee, who, after seven years of faithful service to the Regiment, went off to Fort Bliss, Texas to become the new Canadian Forces Liaison Officer at the United States Army Air Defence School. WOs Randy and Mike Martin were both posted to the Artillery School to do their Assistant Instructor of Gunnery course. WO Jim Reid was posted to the language school, here in Petawawa,

and Capt Bob Bissionette was posted back to the standards cell at the Artillery School in Gagetown. The unit also bid farewell to WO Bob McKeough who retired after 36 years of meritorious service in the CF.

After the summer courses were over, the Regiment welcomed some new, and old faces to the unit. Posted in from Gagetown were MWO John Ballard as the new BSM of 89 Bty, WO Kevin Carpenter as Ops Warrant Officer, and WO Kevin Walker as the new TSM of A Troop. Capt Paul Caines arrived from his duties in Fort Bliss, Texas to become the Unit Operations Officer. Lt Cristian Taylor after component transfer and language training at the Canadian Forces Language School, returned to the unit as Troop Commander A Troop.

This past year the Regiment welcomed some of it's reserve soldiers into the unit as regular soldiers, the personnel that took Occupational Transfers into the Air Defence and posted into 1 Air Defence Regiment included; Gnr Blaedow, Gnr Bunke, Bdr Delarge, Gnr Dupuis, Gnr Goodman, Gnr Merten, Capt Prendergast.

Throughout the year, as with other years, the Regiment has the distinction of promoting some of its fine soldiers. This year the following soldiers were granted their promotions; Bdr Baker, Sgt Pert, Bdr Shulist, Bdr Lagimoniere, Bdr Bowles, Bdr Hoft, Bdr

*1 AD Regimental picture at the Soldier's Christmas Dinner 2002.*

*A detachment from A Trp engaging an aerial target during BLAZING ARCHER.*

Royce, Bdr Ewing, 2Lt Cybulskie, MBdr Clouthier, Sgt Leclair, Capt Prendergast, and also Bdr Delarge who was accelerated to Bdr for all of his meticulous work, dedication, and leadership that he displayed throughout the year.

The past year was spent busily facilitating training between unit level exercises, and providing Air Defence support to 2 Brigade. Some of the unit level training events that were conducted during the year 2002 were:

- Exercise NIMBLE ARCHER in Feb was run in conjunction with Exercise TRILLIUM WOLF, a 33 Bri-

*Bdr Delarge receiving his accelerated promotion from Maj Hardwick, CO, and Honourary Col Noonan.*

gade exercise. This exercise was conducted in the Ottawa Valley and saw A-Troop deploy to defend various civilian locations, such as Kemptville, and the Arnprior Dam.

- In March, a number of our reservists shed their Air Defence equipment, and partook in Exercise BOLD VENTURE, in Fort Knox, Kentucky. WO Sean Chase led a contingent of nine soldiers to become a section of an Infantry Company in a reserve Battalion. While lacking their Javelin missile systems, they proved that they were as equally proficient in the skills of an Infanteir. During the eight-day exercise, the reserve soldiers of 1 Air Defence Regiment participated in FIBUA training, and Air Mobile operations. Some of the challenges were more physically demanding, including the bayonet fighting course, and the overhead firing range.

- BLAZING ARCHER (PETAWAWA) in March, was a Live Fire exercise that was conducted at our firing point at Center Lake. It was designed to give ten missiles to soldiers within the unit that had not fired before. Congratulations goes to Gnr Merten, who achieved a direct hit during this camp. Several soldiers from 58 Bty also attended this successful live fire exercise.

- Exercise GRIM HIGHLANDER was a range exercise to hone the firing skills of the soldiers in the Regiment on the C-7, C-9, and C-6. Furthermore, B-Troop, and 109 Bty practiced their navigation skills.

*Gnr Dupuis prepping the aiming unit prior to his live missile firing.*

*MBdr Dean assisting in the loading of the LML during BLAZING ARCHER 2002.*

- During Exercise BLAZING ARCHER (GAGETOWN), conducted in October, 1 AD Regt participated in 58 Bty's firing camp. There were ten firers in all from 1 AD Regt, and all ten achieved direct or technical kills. This firing camp also gave the soldiers the chance to fire from the Grizzly AVGP. Among those to achieve kills were, MBdr Coulson, MBdr Drake, MBdr White, MBdr Connaughan, MBdr Dean, Bdr Delarge

(TOPP high no less), Bdr Baker, Gnr Carneige, Gnr Bleadow, and last but not least Gnr Goodman, who managed to hit the fuel tank on his target which crashed in a spectacular ball of flames. Without a doubt, this firing camp was an extreme success and our thanks go out to all the Officers and soldiers of 58 Bty for inviting us.

We also supported 2 CMBG for many exercises over the last year. They included:

- Ex SWIFT BEAR, an Air Mobile exercise that was conducted by 3 RCR in January. This particular exercise required two detachments to provide Air Defence coverage for 3 RCR while they conducted Air Mobile rescue operations. Two other detachments acted as enemy Air Defence assets. This gave a further sense of realism to the pilots and commanders who need to take the enemy Air Defence threat into account during their planning.

- Exercise VIRTUAL BEAR was a CPX conducted by 2 CMBG to become familiar with, and to practice using the new Athena TCCCS equipment.

- Exercise RAMBLING BEAR was a Live Fire Combat Team exercise, which was focused on the offence. This exercise included participation from most of the units in the Brigade. A-Troop, with attachments from B-Troop, spent its time during this exercise defending the Batteries of 2 RCHA, and various Combat

Teams of the RCD Battle Group during the live fire. This exercise gave valuable experience to the leadership and soldiers within A-Troop when working with other Arms of 2 CMBG.

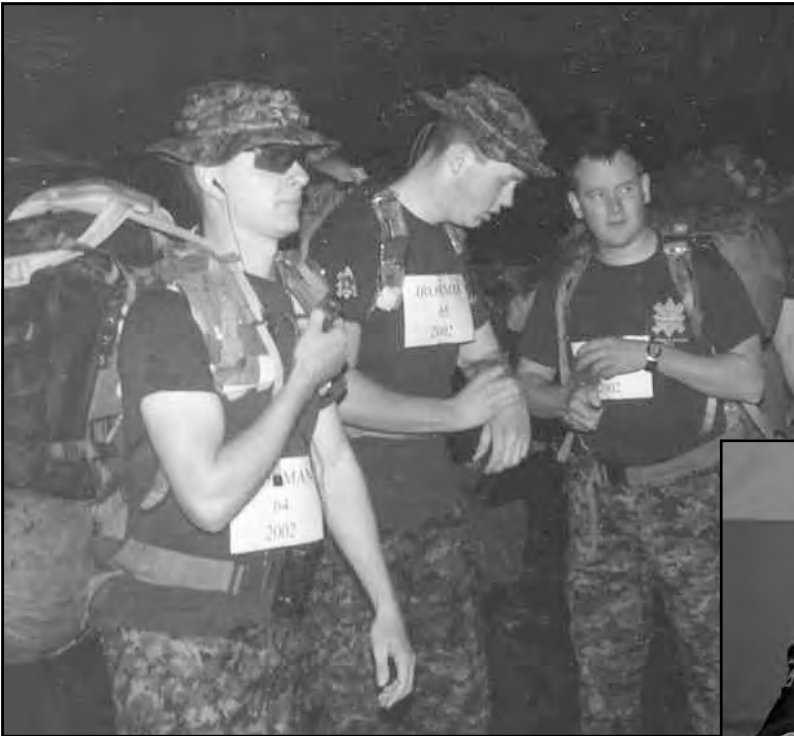

- Exercise NIMROD GALE was a confirmation exercise run by the Artillery School in Gagetown during November. Once again A-Troop had to make the long journey to Gagetown to support the Battery Commander assessment phase of the Instructor of Gunnery course. The exercise was a success, and the soldiers of A-Troop returned safely.

The unit also enjoyed many fun activities during the year, such as the famous 2 CMBG Iron Man challenge,

which WO Chase, Bdr Barling, and Gnr Royce all endured this grueling test of stamina. Bdr Malley placed first in the annual 2 CMBG Cross Country Challenge. The unit also participated in the Terry Fox run with the Brigade and provided Regimental Hockey, Volleyball, and Curling teams to participate in the inter-unit leagues.

The Officer's Mess in Pembroke also put on an excel-

OCdt Barling, Bdr Royce, and WO Chase preparing for the Iron Man Challenge.

lent candle light dinner for the Officer's, their spouses, as well as about one hundred guests and friends of the unit in October.

The year ended off with the excitement of the Officers/ Snr NCOs vs. Jr NCOs hockey game, and curling day. A very successful all ranks dance was well organized by MBdr Stainthorpe, and MBdr Coulson. Of course the Soldiers' Christmas Dinner was well attended and provided us with an excellent closure to a very exciting and challenging year.

The Regiment looks forward to continued excitement for the year 2003, as our busy schedule will undoubtedly bring more rewarding challenges for 2 Brigade's Air Defenders.

Honourary Col Noonan discussing important issues with the new CO for the evening, Maj Carody.

## RCA Photo Contest

Best Photo related to Field or Air Defence  
Cash Prizes of \$200 per issue of the Quadrant  
Open to all ranks of the CF –regular / militia / retired  
(excluding professional or semi professional photographers)

**Submit B & W or colour prints or JPEG photos (min 300 dpi) to:**

RCA Photo Contest  
RHQ RCA  
PO Box 5000 Stn Main  
Shilo, MB R0K 2A0

or e-mail to [webmaster@artillery.net](mailto:webmaster@artillery.net)

**Deadlines for entries are 1 Sep 04, 1 Dec 04 and 1 Feb 05.**

Minimum size of prints is 3 x 5 inches  
All submissions become the property of RHQ RCA and will not be returned.

Please include a short note explaining information about the photo and the photographer

A committee will conduct judging. Units are requested to promulgate the information in RO's

Winning photos will be published in The Quadrant. All submitted photos will be included in the photo album on [www.artillery.net](http://www.artillery.net)

## Concours de Photo d'ARC

La meilleure photo d'artillerie de campagne ou de défense anti-aérienne. Prix en argent de 200,00 \$ par copie du Quadrant. Pour tous les grades des forces régulières/de milices /ou retraités (à l'exception des photographes professionnels ou semi-professionnels).

**Vous pouvez soumettre des photos en noir et blanc, en couleur ou en format de JPEG (min 300 dpi) à:**

RCA Photo Contest  
RHQ RCA  
PO Box 5000 Stn Main  
Shilo, MB R0K 2A0

ou par courriel à [webmaster@artillery.net](mailto:webmaster@artillery.net)

**Les date limite des participation est les 1 Sep 04, 1 Dec 04 and 1 Fév 05.**

La taille minimum des photos est de 3 x 5 pouces. Toutes les photos deviendront la propriété de QGR RCA et ne seront pas retournées.

Veillez joindre une courte explication à propos de la photo et de son photographe.

Un comité jugera chacune des photographies. Les unités sont priées de diffuser l'information dans les Ordres Courants.

Les photos gagnantes seront dans « Le Quadrant ». Toutes les photos seront disponible dans l'album photos sur le site [www.artillery.net](http://www.artillery.net)

*The  
Colonel Geoffrey Brooks  
Memorial  
Essay Competition*

*Compétition  
de rédaction à la  
mémoire du  
Colonel Geoffrey Brooks*

**ELIGIBILITY**

All Ranks of The Royal Regiment of Canadian Artillery

**TOPIC**

Write on any topic of general or specific military interest with current applicability to The Royal Regiment of Canadian Artillery. Purely historical narratives are not usually suitable as the purpose of the competition is to encourage discussion of current issues. Therefore, any historical essay must point out "lessons learned" which could apply today or in the future.

**RULES**

Essay entries should be between 2,000 to 3,000 words in length. They must be typewritten and submitted in quadruplicate. The title and page of any published or unpublished work to which reference has been made, or from which extracts have been taken, must be quoted.

Authorship of entries must be strictly anonymous. Each competitor will adopt a motto or nom de plume, which will be quoted at the top of the entry.

A sealed envelope will be enclosed with the entry. This envelope will contain the service number, rank, name and address of the competitor. The envelope will have the appropriate motto or nom de plume only, typewritten on the outside.

**ENTRIES ARE TO BE ADDRESSED TO:**

Editor, The Canadian Gunner  
The Colonel Geoffrey Brooks Memorial Essay Competition  
RHQ RCA  
PO Box 5000 Stn Main  
Shilo, MB R0K 2A0

Entries must reach RHQ RCA BY 28 Feb 2005.

\$1000<sup>00</sup> in cash prizes

**JUDGING**

The Editor will arrange for a committee to judge the entries. The decisions of this committee will be final. Results will be made known in the next issue of The Canadian Gunner and on [www.artillery.net](http://www.artillery.net)

*The Editor and staff of The Canadian Gunner can not be held responsible for the loss or return of any essay submitted; nor shall they incur any liability whatsoever in connection with the receipt, dealings, judging and reports of essays.*

*The copyright of any essay published in The Canadian Gunner will belong to The Regimental Fund*

**ÉLIGIBILITÉ**

Tous les grades du Régiment royal de l'artillerie canadienne peuvent y participer.

**SUJET**

Tous les sujets (précis ou généraux), qui font références au Régiment royal de l'artillerie canadienne, sont acceptés pour le concours. Les récits historiques ne sont habituellement pas admis puisque le but du concours est d'encourager les discussions sur des sujets actuels. Par conséquent, les compositions à caractère historique doivent faire part d'une leçon antérieure applicable à une situation actuel ou à venir.

**RÈGLEMENTS**

Les compositions doivent comprendre entre 2000 et 3000 mots. Elles doivent être présentées sous un format informatique et en 4 exemplaires. Le titre et la page de tous les extraits cités ou tous autres ouvrages de références utilisés doivent être annotés.

Le nom de l'expéditeur du texte doit rester secret par conséquent, chaque concurrent adoptera une devise ou un nom de plume, qui seront indiqué sur la page de présentation.

Vous devrez joindre une enveloppe scellée contenant à l'intérieur les renseignements suivants : le numéro de service, le rang, le nom et l'adresse du concurrent. Sur cette enveloppe, vous devrez seulement inscrire votre nom de plume.

**LES TEXTES DOIVENT ÊTRE ADRESSÉES À:**

Editor, The Canadian Gunner  
The Colonel Geoffrey Brooks Memorial Essay Competition  
RHQ RCA  
PO Box 5000 Stn Main  
Shilo, MB R0K 2A0

Les textes doivent parvenir au RHQ RCA avant le 28 fév. 2005.  
1000,00 \$ de prix en argent comptant

**JUGER**

L'Éditeur se chargera de nommer un comité pour évaluer la valeur des textes reçus. Les décisions de ce comité seront finales. Les résultats seront publiés dans la prochaine parution de l'Artilleur canadien et sur le site [www.artillery.net](http://www.artillery.net)

*L'éditeur et le personnel de L'Artilleur canadien ne peuvent pas être jugés responsables de la perte d'un text. Ils ne seront aucunement liés à la réception et à l'évaluation des textes.*

*Les droits d'auteur de tous les textes publiés dans l'Artilleur Canadien appartiendront aux fonds régimentaires.*
