Gunner Cemeteries

Cimetières des artilleurs

as of/ à partir de
September/ septembre 2026

We are the Dead.
Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie,
In Flanders fields.
Lt-Col John McCrae

Nous sommes morts
Nous qui songions la veille encor'
À nos parents, à nos amis,
C'est nous qui reposons ici
Au champ d'honneur.
Adaptation française par Jean Pariseau

Au service des artilleurs canadiens depuis 1876
Serving Canadian Gunners since 1876

The Royal Canadian Artillery Association takes a moment of silence each year to remember those Gunners that have passed away in the previous 12 months.

In 1922, the Association published a booklet listing Officers who served in the Great War with the Canadian Artillery. We've updated that booklet and provied an online directory (https://rca-arc.org/the-rca-association/lest-we-forget)of all those that we know that have served The Royal Regiment of Canadian Artillery. There still remains considerable work to complete the list.

From those lists we have compiled the following collection of known Gunner cemeteries. It is our hope that this will assist those wishing to pay respects at their grave site. It would be greatly appreciated if you could forward the names and location of any Gunner graves that have not been listed and we'll publish them in a future edition.

Red font indicates that the Gunner has been selected for remembrance by an RCAA member.

I would like to thank Major (ret) RG Hart CD for his work publishing *The Fallen of The Royal Regiment Of Canadian Artillery* in March of 2013, the work the researchers at Library and Archives Canada and the following individuals that have assisted in sourcing so much of the information: Colonel (ret'd) Tim Sparling CD, Chief Warrant Officer (ret'd) Tom Tomaso CD, Chief Warrant Officer (ret'd) Scott Howell CD, Master Bombardier (ret'd) Ernie Kovacs CD and Bombardier (ret'd) Eric Halstead.

Thank you for your support.
Care to join the team?

L'Association de l'Artillerie royale canadienne observe un moment de silence chaque année pour rendre hommage aux artilleurs décédés au cours des 12 derniers mois.

En 1922, l'Association a publié une brochure répertoriant les officiers qui ont servi au sein de l'Artillerie canadienne pendant la Grande Guerre. Nous avons mis à jour ce livret et fourni un répertoire en ligne (https://rca-arc.org/fr/lassn-de-larc/ne-les-oublions-pas) de tous ceux que nous connaissons qui ont servi dans le Régiment royal de l'Artillerie canadienne. Il reste encore beaucoup de travail à faire pour compléter cette liste.

À partir de ces listes, nous avons compilé la liste suivante des cimetières connus des artilleurs. Nous espérons que cela aidera ceux qui souhaitent rendre hommage à leur tombe. Nous vous serions très reconnaissants de bien vouloir nous transmettre les noms et l'emplacement de toutes les tombes de Gunners qui n'ont pas été répertoriées et nous les publierons dans une prochaine édition.

La fonte rouge indique que l'artilleur a choisi d'être commémoré par un membre de l'AARC.

Je tiens à remercier le major RG Hart CD pour son travail de publication de The Fallen of The Royal Regiment Of Canadian Artillery en mars 2013, le travail des chercheurs de Bibliothèque et Archives Canada et les personnes suivantes qui ont aidé à trouver une grande partie de l'information : le Colonel (retraité) Tim Sparling CD, l'adjudant-chef (ret) Tom Tomaso CD, l'adjudant-chef (ret) Scott Howell CD, Bombardier chef (ret) Ernie Kovacs CD et le bombardier (ret) Eric Halstead.

Merci pour votre soutien.
